Our Mission

- Assist with academic innovation and excellence at JJ Pearce High School

Our Methods

- Provide funding for programs and materials not provided by RISD
 - \$100,000+ of requests over the last three years
 - Average \$25,000 annually in gifts to the school
 - Innovative programs include SOS (Seniors mentor Freshman during Advisory period), new AP Music theory software that has now been rolled out district-wide
 - Supplies for classrooms – AP study materials, rats for dissection, sensory room for special education, video equipment for Mustang News & Capstone classes, classroom sets of books, lab equipment for science classrooms
 - Supplemental Teacher training
- Provide programming and information to JJP Parents
 - Mustang Morning Meet-Up – coffee & conversation with our Principal
 - What I Wish I'd Known about the College Admissions Process – Parent Panel
 - HS Software 101 – What do I need to know?

- Summer mailings announcing schedule pick up and extracurriculars (football tickets, band, choir, theater, etc.)
- Our PEEF SAC (Student Advisory Council) serves as a sounding board for our Principal, offering input on academic needs and fundraising to support solutions (counselor appointment software, language labs, additional AP study sessions, flipped curriculum)
- Summer socials, so incoming freshmen from different schools can meet each other
